

CRETA

Light the way.

Let your light shine bright in the Hyundai CRETA, the ultimate SUV designed to make a statement with confidence. This is where cutting-edge technology meets unique appeal, capturing the bold spirit of a true thought leader driving positive change. With the addition of the limited edition CRETA Matte range, there is now a CRETA that is perfectly suited for everyone who is fearless enough to challenge the status quo. Ready to broaden your horizons?

For vision beyond the horizon.

Feel empowered by your independence and max out your adventures with a handy roof rack* that keeps bulky gear up top, so your cabin stays comfy and clutter-free. For clearer vision on your journey, you can rely on LED headlamps* that combine stylish design with purposeful practicality.

Your journey. Your space. Your way.

Easy riding meets flexibility with a 60:40 split rear folding seat that's ideal for when you need to switch between that girls trip and the school run, or to create more space after your shopping spree. With artificial leather covering and ample room, you're ensured more comfort, less crowding and loads of cargo space. With the added convenience of a USB charging port for backseat passengers, you can say goodbye to tangled cables, while keeping your focus where it needs to be: always on the road.

Front tray USB charger

Advanced safety features for bold leaders.

The CRETA MY24 edition has your back with a suite of intelligent safety features that anticipates what's ahead, adapts to changing conditions and brings you effortless driving pleasure. Enjoy efficient stopping power and stability with an Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD) and an Electronic Stability Programme (ESP), keeping you confident and in control.

Driver, passenger, side & curtain airbags*

Infotainment system with Apple CarPlay or Android Auto & Wireless Phone Charging*

Hold your position with confidence.

When you're driving the new CRETA MY24 edition, your peace of mind is always ensured, thanks to SMART safety features that will enhance your overall driving experience. With the added support of Blind Spot Collision Avoidance Assist* (BCA) and the intelligent Lane Departure Warning System (LDWS)* you can double-down on your, and your loved ones', safety.

*Only on 1.5 Executive IVT MY24

Crafted convenience, just for you.

Experience true convenience at every turn, because the CRETA MY24 edition has been carefully crafted to make every journey smoother. Push-to-start* and Automatic Windows bring you one-touch, breezy convenience, while the Manual temperature control enables you to create a comfy environment, all at the touch of a button. Park with confidence, trusting the Auto-hold Electric Parking Brake while Cruise Control let's you sit back for a stress-free ride on those long stretches of road.
